The Honorable Marvin Garbis  
United States District Court  
101 West Lombard Street  
Baltimore, Maryland 21201

RE: Brian Davis

Dear Judge Garbis:

I am writing you concerning Brian Davis. I have known Brian and his family for several decades. While Brian has had his difficulties in the past, I believe his bad days are behind him. Since his return home, Brian has shown that he is a changed person and that he is trying everything humanly possible to be a productive citizen. In the past he served the State of Maryland with distinction, as a Commissioner for IWIF, and despite his difficulties, they never interfered with his duties, nor did his transgressions come into play with his appointed office.

Since returning home, Brian has worked and is working two and three jobs to rebuild his life. He continues to volunteer his time to work with the terminally ill. He returned home with no money, no family, and effectively with no support system. Brian also voluntarily completed an outpatient program, while doing the aforementioned. Recently, he has come to work for me (part time) in varying capacities, and frankly I am very proud of him. While he is not perfect, Brian has proven to me and many others that he again is trustworthy, and can be believed. The road for him has been hard but I and many others are confident that he is on the road to a good and decent life, if allowed to continue to do so.

It is by this letter that I wish to give you a positive report on Brian Davis. If I can be of any further assistance, please do not hesitate to contact me.

Sincerely,

Helen Delich Bentley

To Whom it may concern:

I am writing to you regarding Brian Davis, whom I have known for two years.

Brian has been a volunteer at the Gift of Hope, our Home for men with AIDS. Brian began volunteering with us, the Missionaries of Charity, several years ago. His original Volunteer work was court ordered. When he finished the required hours, he chose to continue his work as a volunteer.

Brian has been very helpful in working with the men in our Home. He has shown himself to be a loving and compassionate person, with a good sense of duty. He has willingly given his time to help our Poor, even during holidays, like Thanksgiving and Christmas.

Through this letter, I wish to express my gratitude to Brian for his service to the Poorest of the Poor.

Sincerely,

*Sr. Manorama M.C.*
